Tri Deltas Share a Renaissance of Wonderful Times

This fall has been a busy and exciting time to be a Tri Delta at Cornell. We began on such a high note with our September Greek Week win! Other great memories from the fall include the Homecoming tailgate and football game, the Officer's Council retreat at Buttermilk Falls, and our monthly Chili's dinners, which are always a great time to catch up with other sisters.

Then there were our fall special events: a cocktail lake cruise and Halloween invite party, the Collegetown progressive dinner night, our alumni pansy brunch, a lineage scavenger hunt, and our hugely successful philanthropy concert, "Ithacaid," held

during first-year family weekend. We've also welcomed a field consultant, Leslie Clement, and our new collegiate district officer, Jennifer Nyland, into our chapter house (with its brand new bathrooms) for short stays. And there's so much left to celebrate and participate in during these final weeks of the semester: fun modules, recruitment training workshops, senior roasts, Founder's Day, hosting refreshments at the CU Faculty Congress, and, of course, our winter formal in December.

I feel so lucky to have seen this chapter through so many wonderful times, from last year's incredible recruitment to our recent

Greek Week victory. I think I'm most proud of the fact that we did not have a single new member depledge, or a single senior deactivate this whole year. The house is really thriving and I am so thrilled to have been a part of that as an officer for the past two years. Thank you to everyone who gave me advice and help during this long journey, and I wish the best of luck to our incoming president, Elizabeth Howes '09. I can only hope that she finds leading this chapter as rewarding and as much fun as I did.

Kayla Rakowski '08

Congratulations to Tri Delta's Team Red for their Greek Week victory! After four arduous days of banner-making, basketball-playing, team-cheering, and competitive pie-eating, the ladies of Delta Delta Delta took home the gold.

Homecoming: Good Friends, Good Food, Good Football

Home again: Alumnae Nikki Jaffe '06, Liz Falcone '06, Melissa Kiedrowicz '06, and Mary Ellen Cravens '05 at the Alumnae Brunch on October 14.

Homecoming is one of the rare opportunities during the semester to indulge in a day without homework and spend time with your sisters. We catch up, we laugh, we barbecue, and then we put on our game faces and head to the stands for some Big Red Football.

Cornell's 17-14 victory over Colgate made Homecoming 2007 a little sweeter, but the pre-game tailgate (the sisterhood, the socializing, the free food) was the highlight of the day. We had a great alumnae turnout this year and, on Sunday, sisters and alums gathered at the house for a brunch whipped up by our cook, Mary Searles, with some delicious coffee, pastry, and fruit platter supplements courtesy of our alumni relations budget.

Thanks so much to everyone who made the trek to Ithaca, and I hope that next year yields an even bigger turnout. Be sure to subscribe to our new alumni listserve (see details on page three) for news and updates on upcoming events!

Collegetown Tri Deltas Host Progressive Dinners

September's sister-sister bonding event was a traditional Progressive Dinner. For this event, groups of Tri Deltas that live together in apartments and houses around Collegetown volunteered to host groups of the newest pledge class. The girls stayed at each house for about 30 minutes where they ate yummy snacks and played games. The hostesses thought of some really great themes including Fiesta, with nachos and fruit punch, Birthday Party, with cake and pin the tail on the donkey, and Classy, with fresh fruit, assorted dipping sauces and episodes of *The O.C.*

This was a very successful event. Not only did the newest girls get to bond on a more intimate level with the older girls, but they also got to see a range of the different living situations right before leases for next year became available. The girls enjoyed the dinner so much that there has been a big push to hold one each semester rather than once a year. So all

of the Alpha Beta Tri Deltas will have more silly games and tantalizing appetizers to look forward to next semester.

Alpha Beta Chapter Pledges \$62,500 To St. Jude Over The Next 10 Years

The buzzword for the fall semester's philanthropy was definitely "fabulous." This year, Alpha Beta Tri Deltas made a commitment to donate \$62,500 to St. Jude Children's Research Hospital over the next 10 years as a part of Tri Delta National's pledge to raise \$10 million in 10 years.

So, we made a pledge—then what? As members, it was time to ask ourselves what we were willing to do to make sure that we could honor our commitment to St. Jude Children's Research Hospital. Well, we can do a lot!

We started this semester exercising our fabulous culinary skills while serving up pancakes to the sleep-deprived students camping out for hockey tickets. Who can resist warm pancakes after a night of sleeping on the hard floor of Bartels? The event was a great success for its first year, and we sold almost 200 pancakes before we all vowed we'd never be able to see another pancake for the rest of our lives, or at least until next year!

But, did we stop there? Obviously not, because we are fabulously dedicated to the commitment! Tri Delta also cosponsored a benefit concert in the Statler Auditorium with Tau Kappa Epsilon. The event featured the best of Cornell's *a cappella*, dance, and comedy troupes, including some of our very

own sisters! With the comedic skills of Jackie Rau '09, the group consisting of many freshmen, Greeks, and even parents thoroughly enjoyed the experience, and I'm sure they left saying that the Hangovers make them happy, and they go giddy for the Class Notes.

The event was a huge success and helped us towards our goal, raising over \$3,000 for St. Jude and another \$3,000 for Tau Kappa Epsilon's philanthropy, the Alzheimer's

Association. We offer profound thanks to all of those that made the event amazing!

Why stop there? Tri Delta also launched our "Sincerely Yours" campaign in November, in partnership with Up Till Dawn, another organization that fundraises for St. Jude. The event has the potential to raise almost \$30,000, and I cannot wait to see the results. I hate to say it again, but *fabulous!*

I have to attribute much of the recent fabulousness of the chapter to Julie Wiechecki '10 and my visit to St. Jude and Memphis this summer as a part of the Collegiate Leadership Seminar. Seeing the hospital, the work it does, and meeting with the patients changed both of our lives. We're

fortunate to be able to send Leslie Reed '09 to the dedication ceremony in November, and I know she will feel the same after returning. If you can, see the hospital for yourself, and you will know what I mean and where all this fabulousity is coming from.

Even though we've been busy with our own events, we still make time to participate in everyone else's, of course! Our two teams at Kappa Alpha Theta's Tip-A-Canoe raced across Beebe Lake with lightning speed. Congratulations to Maria, Katie, Kate, and Elle who were so fast that they beat half of the boys' teams. Now that's what I call fabulous!

Keeping up with how strong our sisters are, we then participated in Phi Kappa Tau's Phi-Tug tug of war competition. Even though we didn't win, the best part came at the end when all of our sisters competed against the wrestling team and, with a little help from Kappa Delta, were able to beat the entire team!

My time as chair is almost up and I can say that, despite the work, I've loved every second of it and really made a difference. I know that whoever follows will continue Alpha Beta's dedication to philanthropy and St. Jude. Best of luck to the newest, fabulous philanthropy chair!

Priscilla (Blaikie) Hines '41 reports, "I'm still living in our own home of more than 55 years—with our family nearby and constantly growing. Our five children produced 12 grandchildren and, so far, nine of them have given us 11 great-grandchildren! Playing bridge keeps me going. I think of our happy days at Cornell and feel fortunate we were there before the men left for war." Reach Priscilla at 237 Middlesex Rd., Darien, CT 06820.

Caryl (Jennings) Gustavson '42 writes, "My husband, Carl Gustavson (Cornell '42) published five books and was Distinguished Professor of History at Ohio University (Athens). He died in 1999. I have three children, six grandchildren, and five great grandchildren on both coasts. I was a Tri Delta legacy, not really a 'sorority type.' My contribution to the chapter was graduating Phi Beta Kappa; the chapter hadn't had one in years." Caryl lives at 14 Utah Pl., Athens, OH 45701.

Doris (Fenton) Klockner '43 reports, "My husband, Joe, and I have retired to the Franciscan Oaks Retirement home and like it very much, except for the three-foot-deep pool. After going to Florida for 15 winters, I'm spoiled by heated pools, with a deep end. It's my favorite exercise. I see **Sue (Krehbiel) Horger '43** in Florida every year." Reach Doris at 19 Pocono Rd., #366W, Denville, NJ 07834.

The next was in Rochester, New York, in July, and the last was held in Lexington, South Carolina in October. What fun times! Three years ago my first granddaughter was married in Germany. I missed that, but, fortunately, now they live in Los Angeles. We have 18 more to go, but I probably won't be attending them all!" Yvonne Picard '68 reports, "I have a new grandson, Zachary (from my son), in addition to my granddaughters, Hannah and Naomi, from my daughter. I completed my PhD in clinical psychology in December 2006; it won't change much for me, but I am asked to speak more often. I'll teach at colleges more and do psychotherapy with patients less." Our daughter, Kristen, benefits from having senior parents who are too old to discipline her. We experience pure joys with our three granddaughters. My diverse occupations over 23 years were: administrative dietitian, 'Class-A' waiter trainer, high school culinary arts teacher, junior college and university professor, hospital faculty dietitian for diet, nutrition, and cancer

We completed a major restoration project on the main house last fall and moved back home with our expanded family in November 2006. The restoration turned up some evidence that our house may date back to the 1770s, though we are

sticking with the 1783 date on the land records for now. Some day when the kids are older, I hope to do more research on the history and lineage of our house, but now I have no time!" Send Melissa congratulations to 27 Old Town Rd., East Hartland, CT 06027; mtcstottle@gmail.com.

Tri Deltas Enjoy Romantic Cruise Around Seneca Lake

For the first time in years, the Alpha Beta Chapter of Delta Delta Delta had a fall date night. The September evening could not have been more perfect as the lovely ladies and their dates boarded Captain Bill's Cruises for a romantic two-hour sail around Seneca Lake. With cameras in tow and the moon behind them, the sisters danced the night away to their favorite music, including a Tri Delta favorite, "We Belong."

The cruise was a fabulous opportunity for everyone to dress up, and for the new pledge class to meet sisters who were abroad last semester. It was a magical night all the sisters will remember. "This is, hands down, my favorite event I've attended in my four years as a Tri Delta," said last year's special events chair, Becky Ross. Because of its popularity and success, the cruise may become a tradition for years to come.
